※ The above schedule is based on Korea local standard time.

II APPLICATION PROCEDURE

A. Document screening and oral/interview test

- Applicants of psychology department will be notified whether they have an oral/interview test or not. (Other applicants must attend oral/interview test.)
- For international students residing outside Korea, other means of communication (such as by telephone, skype etc) can be used for the interview. (Check telephone interview on the on-line application form.)
- ※ Depending on the situation of COVID-19, interviews could be conducted on-line. The interview method will be noticed on our web site before the date of the interview.

B. Score distribution

- Document screening – 100 points
- Oral/interview test – 100 points

C. Selection standards

- Successful candidates will be selected according to the combined score of document screening and oral/interview test.
- If the applicant's ability is judged as 'insufficient' to study, they will not be admitted regardless of the admission quota.
- If two or more applicants receive the same score, the selection will be made following the university's tie-breaking procedure.
- Applicants will be disqualified in the following cases:
 - An applicant whose ability is judged as 'insufficient' to study.
 - An applicant who is absent for interview.

III APPLICATION ELIGIBILITY

A. Eligibility for applicant

- (1) An applicant holding foreign citizenship whose parents are both foreign citizens. (not Korean citizens)
 - ※ If an applicant or parents are dual nationality holders with Korean citizenship, applicant will not be allowed to apply for International Student Admission. (If you have acquired foreign nationality by immigration, you should apply for domestic students admission)
- (2) Overseas Korean applicants residing in foreign country or foreigner who have completed their entire elementary, middle school, high school and undergraduate education outside Korea.
 - ※ An applicant who wants to apply for the admission for international students must satisfy at least one of requirements above. An applicant who satisfies all of them is regarded as the eligibility (1).
 - ※ An applicant who satisfies one of above conditions must submit documents that can prove the eligibility of (1) or (2) (Refer to page 21)
 - ※ Applicant who is not applied to above conditions must apply for domestic students admission, not international students admission.

B. Degree

(1) Master's / Integrated Master's & Doctoral program applicant

- ① One who holds a Bachelor's degree
 - ② One who is supposed to get Bachelor's degree by the end of February, 2021 (March, 2021 for Universities in Japan).
 - ③ According to the relevant law, those who have received a bachelor's degree or been recognized as having the equivalent academic experience.
- ※ Master's degree applicant can apply for different major from the undergraduate major.

(2) Doctoral program applicant

- ① One who holds a Master's degree
- ② One who is supposed to get Master's degree by the end of February, 2021 (March, 2021 for Universities in Japan).
- ③ According to the relevant law, those who have received a master's degree or been recognized as having the equivalent academic experience.

C. Additional Requirements

IV RECRUITMENT QUOTA

Classified by degree program, each department (major) accepts a number of applicants. (Supernumerary)

V APPLICATION FEE

A. Application Fee

KRW 120,000

B. How to pay application fee

Internet applicants must choose one method either ①Credit Card ②Remittance ③Virtual Account or ④Cell phone Payment to pay the application fee when applying at the webpage (<http://jinhakapply.com>)

VI PROGRAMS & DEPARTMENTS

※ Considerations

- If applying to a department that is recruiting a specific major, you must specify your major when filling in the admissions application.
- Religious Studies Department applicants, as a rule, should be students who majored or minored in theology in undergraduate or graduate school. Students from other majors are required to have a preliminary consultation with the Dean of the Religious Studies Department before applying.
- Department of Psychology recruitment is limited to Counseling/Clinical Psychology, Cognitive/Development Psychology, Social/Industrial Psychology and Quantitative Psychology. You should write down specific major on the Study Plan.
- The Gender Studies Cooperative Program gives advantages to those with experience in organizations related to women.
- Applicants for doctoral or integrated program in Philosophy should have bachelor's degree of philosophy.

※ ○ : Required documents, △ : relevant applicants only

VIII APPLICANT CONSIDERATIONS

A. How to apply online

- ▶ Read the Admission Guide with care → Access Sogang University Graduate School homepage (<http://gradsch.sogang.ac.kr>) or application homepage (<http://jinhakapply.com>) → User login (if not a member, join) → Fill in the application in order → Confirm application → Pay application fee → Print the application form & test verification slip, download & fill out Study Plan etc. → Submit the application for admission & required documents

- ※ A photo file must be uploaded during the internet application. So please be sure to prepare a photo file of you in advance.
(Notice: if you upload other person's photo, you will be considered as a cheater and be unable to take the test.)
- ※ Carefully fill in your specific academic background of graduate school, undergraduate school, and department(major). If there is no adequate school name among input options enter 'other' and type the school name directly.
- ※ Please enter exact name of graduate school, undergraduate school, and department(major) etc as it is written in your transcript or certificate of graduation.
- ※ Applicant's name and date of birth must be identical with what appears on the passport.
- ※ For internet application, please be sure to enter your name in English as it is on the passport.

▶ Questions about internet application:

JINHAK APPLY ☎: 1544-7715 / FAX: +82-2-735-8432 / E-mail: apply@jinhakapply.com

- ▶ Application will be successful only when admission fee payment is finished by the due date, 17:00.

B. Application & Registration considerations

- (1) You can apply only by internet.
- (2) After internet application, print out the application form and, together with the required documents, submit them to graduate school office by 17:00 on the final day of document submission.

[After finishing the internet application, print out the “form for sending mail” and send documents to the graduate school office by registered mail.]

- (3) In spite of the completion of internet application, if all application forms (hard copies) and required documents are not mailed within the submission period, the document screening score will be ‘0’
- (4) As there are many situations for urgent contact to applicant or parents, you must accurately enter home phone number, cell phone number and email address.
- (5) After completion of internet application, cancellation or changing of details are not permitted. Documents submitted will not be returned as a rule. However, if applicant can't take the test because of unavoidable accidents, applicant can request refund by submitting refund application and proof of events within 3 days from test day. Then, after evaluation, if the reason is reasonably acceptable, applicant can get partial (except the commission) or full refund.
- (6) Sogang University is not responsible for any disadvantages caused due to errors on the application form or required documents being improperly prepared.
- (7) Applicants can be requested to submit further documentation for the necessity of confirming the accuracy of relevant qualifications of applicants. When any reason for disqualification is discovered during the document screening, the application will be rejected and application fee will not be refunded.
- (8) Successful candidate must pay tuition by the due date and applicants who fail to pay tuition will be regarded as gave up admission. When give up the admission after finished tuition payment, one must submit waiver form provided by university and one can download the form at Graduate School Homepage.
- (9) Tuition refund for giving up the admission will be dealt with in accordance with the regulations on university registration fee.

C. Admission related considerations

- (1) For further details about admission procedure, please inquire to the each department office. For inquiries about study details, please contact to the dean of department by phone or e-mail.
- (2) Location of oral/interview test will be posted on the graduate homepage ‘notice board’ before tests.
- (3) During the admissions period we will not notify details to applicants individually, instead notice will be posted on the graduate school homepage.
- (4) For the oral/interview test, all applicants must bring their ID card (Alien registration card or passport) and test verification slip.
- (5) Applicants who are late for oral/interview test can be restricted to attend the test.
- (6) A graduate-to-be must get degree by the end of Feb. 2021 (Mar. 2021 for Universities in Japan). If he or she fails to get degree, the admission will be canceled.
- (7) Applicants who received their degree from foreign country are acceptable only when their universities are accredited by the government. (If the universities (or graduate school) are not accredited, even after admission process is finished, the admission will be canceled.)
- (8) Applicants who make others take the test instead of them and cheat, lie on application details entered in the required documents, forge documents will be unqualified. When it is discovered that the applicant was admitted under false pretenses or when it is revealed that former degree (Bachelor's, Master's) is not truth by the academic inquiry, admission will be canceled with no tuition refund even after admission and in the middle of semester.
- (9) Relevant facts not stated in this admission guide will follow the various regulations and guidelines of Sogang University which are decided separately.

IX REGISTRATION & SCHOLARSHIP INFORMATION

A. Admission Test Result Announcement & Registration

- (1) A List of successful candidates will be posted on the graduate school homepage on the result announcement day.
Notification shall not be made individually to those who passed.
- (2) Successful applicants must pay close attention to the announcements. Print out the invoice for registration and make payment to the designated bank account. If registration is not made within the set period, it will be assumed that the applicant no longer intends to enter the school and the admission will be cancelled.
- (3) Those who are expected to graduate during the application should submit certificate of graduation and final transcript after graduation. If the documents are not submitted, admission can be cancelled.

B. Tuition

(Year 2020, Unit: KRW)

D. Step 4 BK21 Department & Team

| Subject | Department | Core Project (Team) |
|---------------------|--|--|
| Core Project (Team) | Electronic Engineering | Innovative Graduate Program for Future Brain-Inspired Intelligence System Semiconductor |
| | Electronic Engineering | Mobile Blockchain based Intelligent Healthcare Solution Education and Research Team for Disaster and Emergency |
| | Computer Science and Engineering | The World's Best Practical Applied Big Data Science Team |
| | Political Science | Evidence-based Political Science: Empirical Test of Falsifiable Theories |
| | Life Science | Stress-Responding Biomolecules Center (SRBC) |
| | Chemical and Bio-molecular Engineering | Center for Molecular-scale Control in Chemical and Biological Engineering |
| | History | Expert Training Program for The K-MENA(Korea-Middle East & North Africa) |
| | Mechanical Engineering | Pioneering Center for Smart Technology in Mechanical Engineering to Create Social Values |

※ Step 4 Related to BK21 (Brain Korea 21 Program for Leading Universities & Students) for core high quality creative person fostering project, the above-described departments and teams are selected, and the students who participate in these teams can get scholarship according to the joining conditions.
